## Yealimi Noh

### Quick Quotes

short.

**Q. Just your quick overall thoughts of making it to the championship match after a great -- you played really well in stroke play, obviously, and then you've won now five matches to get to the final.**

YEALIMI NOH: I'm really excited. I'm feeling good with my game right now. I think I made four birdies and no bogeys. It was a tough match, though. Every time I was up like 2 -- I didn't get past 2-up until the last hole because she made birdies, like long putts, and it was back and forth, so it was a really good match.

**Q. Was there a particular putt that really stands out from the match today?**

YEALIMI NOH: Yeah, there were two. YEALIMI NOH: Yeah, I feel like -- I just need to hit a couple drives because I mis-hit a couple of them at the end, but yeah, I'm feeling good with my putting and my short game.

**Q. Obviously you're about to play for a big prize, obviously Girls' Junior and then a spot in the Women's Open next year?**

YEALIMI NOH: Yeah, I'm excited.

**Q. You've tried, obviously, for the Women's Open I would assume?**

YEALIMI NOH: Yeah, I did.

**Q. Have you ever come close?**

YEALIMI NOH: I was close this year but just a few
