## Cameron Sisk

### Quick Quotes

**Q. You advance to the quarterfinals. First thoughts on that.**

CAMERON SISK: It's awesome. I can't wait. I'm on a roll right now. Last year I got out in the round of 64, so I was eager to come back and play match play and see how I could do.

It's exciting.

**Q. In the match this afternoon you got up first and never let go. Tell me about that start.**

CAMERON SISK: Yeah, got off to a good start and hit a good drive. He didn't hit the best drive, so hit it up there on the green, tapped in my par, and he made bogey.

From there I was rolling, and I think I won two of the next three holes. From there I had control of the match. I was making pars and had one birdie I think after that, but pretty much in control most of the match.

**Q. Tell me about the birdies on 3 and 4.**

CAMERON SISK: 3 I hit a 5-iron to about 20 feet and made that.

And then I hit a 5-iron from the fairway on 4 to about four feet and made that, so that was good.

**Q. And then what about 9?**

CAMERON SISK: 9 I hit a 3-wood and lob wedge to about four feet and made that.

**Q. Obviously two matches in the day, it's a lot.**

CAMERON SISK: Uh-huh.

**Q. What do you have to rely on when it's getting late in the day?**

CAMERON SISK: You got to stay hydrated; you got to keep feeding yourself. It's a grind.

I think if you just take it one shot at a time and stay focused, don't get ahead of yourself, it's fine.

Don't worry as much about your partner and what they're doing. I was good today. Kept the ball in front of me. That's all I wanted to do.

**Q. And then going into tomorrow's quarterfinal**

**match, what is kind of the biggest thing you need to keep doing the same or kind of change?**

CAMERON SISK: I'm not going to change a thing. I'm playing well right now. Love the way my game feels right now. I think as long as I keep doing what I'm doing I'll keep advancing.

**Q. You said last year in match play you got out the round of 64. Has that driven you to this point to kind of like want to...**

CAMERON SISK: Yeah, I honestly don't think I was the best match play player then. I've learned a lot. I've been able to play a little bit of match play since then. I think that's helped a lot.

I'm one more year mature. I think my game is a little better. I think it's just a little bit of everything.
