## Chun An Yu

**Q. How does it feel to be back in the U.S. Amateur and playing well?**

CHUN AN YU: It's really good. Like really enjoy being here, especially in Pebble Beach and Spyglass. This golf course is just really awesome.

**Q. I know you play in the Pac-12 conference, but have you ever played here before?**

CHUN AN YU: No, it was my first time, so really enjoyed it.

**Q. How did you feel you played today?**

CHUN AN YU: I feel good. I feel really good. I hit a lot of fairways and greens, so I think that's a key for this course and Pebble Beach, and that's what I'll try to do tomorrow, and just going to keep going.

**Q. You started on 10 and you were even when you made the turn, and then you birdied the first hole. How did you do that?**

CHUN AN YU: I actually hit the best shot, my tee shot, the second shot, and then my third shot was really good, too, and then it's in like the deep shot, and I chipped it too hard but it hit the pin and went in.

**Q. How long do you think it was?**

CHUN AN YU: Maybe it would be like 15 feet.

**Q. If it hadn't hit the flag, what would have happened?**

CHUN AN YU: Yeah, went past like 15 feet. So yeah, pretty lucky.

**Q. And then you birdied the other par-5, No. 7?**

CHUN AN YU: Yeah, that one was pretty lucky, too. The second shot I had like 210 yards, and then I kind of pulled it, so it went a little left than I thought. It hit like a slope and kicked like over the water, but it stayed on. I still had a chance to make birdie, and I chipped pretty good, so I made birdie.

**Q. How close was that chip?**

CHUN AN YU: Like 10 feet. Yeah, like 10 feet.

**Q. What kind of wedge did you use?**

CHUN AN YU: 58.

**Q. What you did last year, how much confidence does that give you this time around?**

CHUN AN YU: Like last year, I just know I can play like in the final match, so I just tried to do the best that I can. It definitely gave me a lot of confidence. Yeah, just try and do my best, and hopefully I can do better this year.

**Q. Just making the quarterfinals last year, did that change the way you look at yourself as a golfer?**

CHUN AN YU: No. Every time I just wanted to do my best, and whatever the result is. So I just do the best I can and not think about the result that much. Yeah, that's what I always think and want to be.
