Jeongeun6 Lee

Flash Interview

Q. How does it feel to be the co-leader of the Women's Open after Round 1?

JEONGEUN6 LEE: Well, it's just the first round, just started it.

Q. What was the reason for the good score, was it good iron play, good putting, driving, combination?

JEONGEUN6 LEE: I would say my putting was better today. I would be totally happy with how I did with my driver and the shots but I think my putting was better today.

Q. You had a bogey-free round which is amazing considering the condition of the golf course. You do have to feel proud, perhaps, on how you played today.

JEONGEUN6 LEE: My main strategy today was not to have a bogey and I think that worked and also when I went to a more difficult situation I try not to get into trouble. I stay out of it.

Q. Did you play a practice round, how was the course today?

JEONGEUN6 LEE: I came from Korea last Wednesday and I managed to have three round of 9 hole.

Q. You got very lucky then with the rain. How has the course improved with the rain, the conditions over the last few days?

JEONGEUN6 LEE: Yeah. I feel the same way, it was a good thing I came earlier so that I get to have some more practice. If I compared the condition of the course, I would say it was pretty much the same as when I was doing the practice round.

Q. Did you have any mud balls where you had to really scramble for par?

JEONGEUN6 LEE: I think overall I was -- I did okay. I didn't really run into a huge issue with the mud. I had a little bit of mud on my ball. I don't think it had an effect on how I played today.

Q. How do you prepare now for tomorrow seeing that you're on the top of the leaderboard?

JEONGEUN6 LEE: I think what I try to do is stay straight with my shots and my putting. I think I'm going to apply pretty much the same approach tomorrow. That's what I'm think.

Q. Do you have any family or friends coming with you this week?

JEONGEUN6 LEE: No, not my family. I have people from my company here with me. Thank you.
