## Juli Inkster

### **Q. What was different today than yesterday?**

JULI INKSTER: I putted better today. I didn't have any three-putts, no four-putts, hit a lot of greens. I think I hit 17 greens. I think I hit every fairway. I hit the ball very well today and gave myself a lot of opportunities. Didn't really cash in, but I felt like I rolled the ball better today.

### **Q. Was the putting better -- was it a technical thing or was it being more comfortable, more familiar with these greens?**

JULI INKSTER: Brian worked on my putting last night with me trying to smooth it out a little bit, kind of take the hit out of it a little bit, trying to roll it a little bit more, kind of get the feel back.

### **Q. What do you think the weekend -- is par a good score?**

JULI INKSTER: Yeah, I mean, I don't know how they're going to set it up, but I would say -- I mean, I knew I had to shoot under par today just to kind of get myself back into it. So I accomplished that. It's just tough getting behind the 8-ball so early. But I feel like I'm playing well. I've just got to make a few putts.

### **Q. Were any of the par saves as good or better than the birdies you made?**

JULI INKSTER: I really -- I mean, the only par save I had, the only green I missed was on 4. I hit my drive in the junk, and had a bunker shot and had to make a five-footer. That was really -- all the rest of them were tap-ins or three-footers. I made a really good birdie putt on 5, about 20 feet. So that was nice, unexpected.
