## Paul Jett

**Q. Tell me about your thoughts about today's match, because it was another one of those back-and-forth type deals.**

PAUL JETT: I didn't play all that great. I hit a couple drives that cost me, especially the one on 16. Couple three-putts on obviously the 19th hole and then I had another one earlier in the round that I gave him a hole.

I don't think I made but -- I don't remember whether it was one or two birdies, but wasn't enough. I did make a couple good par putts on 17 and 18 just to keep the match going, so I'm proud of that.

But just wasn't quite as sharp as I had been the last two or three days.

**Q. How about overall experience, especially with it being your first one? Was it everything you thought it would be or was it different?**

PAUL JETT: Well, you know, I really had no idea what it would be. I've been on the other side of these things, but as a player, you know, I've never been treated this well at a golf tournament or at any club that I've ever been to.

It was an unforgettable experience.

**Q. Does this motivate you to want to play more? Do you think you'll change your schedule down the road because of this experience?**

PAUL JETT: Well, you know, I would like to play more, but I got a job, and unfortunately I can't take weeks off during the summer to go play places. I will have to pick and choose.

I can probably play some Carolina seniors' events. Does getting into the final eight get me into next year?

**Q. Uh-huh.**

PAUL JETT: Well, I'll play next year, so I'll put that on the calendar. But as far as just going around and playing six, eight times a summer, that's not going to happen.

**Q. Now that you've gone head-to-head with these guys, is there any part of your game you feel you need to sharpen up?**

PAUL JETT: The putter. As much as I worked on it in

last couple years, there is still more work to be done. Ultimately that's what cost me the match today.
