## Jennifer Chang

### Quick Quotes

**Q. You haven't made it to 18 this entire time.**

JENNIFER CHANG: Yeah.

**Q. Talk to me a little bit about how that feels and how solid of golf you're playing right now.**

JENNIFER CHANG: Well, I can't believe I haven't made it to 18 yet, but like my game right now is just really solid. Putting has just been the key all week so far, and my ball-striking, it's pretty good, but I think it comes down to putting.

**Q. So you just defeated Calista. Have you ever played against her before?**

JENNIFER CHANG: Yes, I did. We played in the Wyndham Cup. I played against her in alternate-shot with another partner.

**Q. Interesting, East versus West, right?**

JENNIFER CHANG: Yeah, uh-huh.

**Q. And you guys won this year?**

JENNIFER CHANG: Yeah, we did finally, after losing four times in a row. We came back strong.

**Q. So you played in a couple U.S. Girls' Juniors now.**

JENNIFER CHANG: This is my second one.

**Q. How does this experience rank so far for you?**

JENNIFER CHANG: I have no words because like last year I lost in the round of 32, and I lost to Yu-Sang Hou, and this year I made it to the semifinals, and that's just amazing. I just can't imagine right now.

**Q. What would it mean to you today if you end up playing here tomorrow?**

JENNIFER CHANG: Wow, that's like a dream come true. I mean, I don't know. Like I can't even process like how I'd feel. To make it to finals, that's just a big step compared to last year, and I think if I end up hypothetically winning it, then that would be really huge.
