

SUNDAY, JUN 1, 2025 – 5 AM WEATHER FORECAST

We continue to enjoy calm, pleasant weather conditions. The only notable atmospheric feature is the smoke layer that will be relatively thick this afternoon and evening, perhaps cooling things off a tad. This smoke will create white-looking skies, but poses no threat to air quality. Otherwise, light and variable winds will dominate a dry Sunday in the lower 70s. The pattern is perfect for extended time outdoors!
