Eisenhower Golf Club, Blue Course

## **Q. This is your first Girls' Junior, how does it feel coming into the clubhouse as co-leader?**

CLARISA TEMELO: Oh, I just learned I'm the co-leader. Well, I started with a bogey [on No. 10], and I don't know, I just tried to keep calm during the whole round. All my putts for birdie, I was just trying to make a good stroke with a good speed, and then just forget about the score and play my game.

## **Q. There have been several bogeys on hole No. 10 so far, is there something difficult about the hole specifically?**

CLARISA TEMELO: I made a three-putt, the pin is a bit to the right, on top of a hill. So it's just a tough green.

## **Q. What are your thoughts on the course overall?**

CLARISA TEMELO: I love the course. Everything is so green, so perfect. The greens are very difficult but the course is in great condition.

## **Q. People familiar with the course say that the greens tend to break away from the mountain, was that something you noticed?**

CLARISA TEMELO: Yeah, if the mountain is coming from the left, then it's going to go that way.

## **Q. With this being your first Girls' Junior, what are your impressions of the championship so far?**

CLARISA TEMELO: Well, I've heard wonderful things about the championship. For sure, it's the championship that all girls want to play. Yeah, I'm really excited to be here and I'm just looking forward to playing my best golf.
