Q. You had a bogey-free round, how difficult was that today?

KAILI XIAO: It was a really good day. I was really lucky today and my putter was real good. It's awesome.

Q. You had a nice par save on the last hole can you talk a little bit about it?

KAILI XIAO: I finished my first putt and said, 'What is that?' I shouldn't have a three-putt. Made a nice par save on 10th hole as well, first hole of the day.

Q. You played in the Women's Open at Pebble Beach just a couple of weeks ago, did you feel like you gained confidence from that?

KAILI XIAO: This course is not easy. It's hard. It's really long. I did gain a little bit of confidence from Pebble Beach, but I know this course is not easy for anyone. The greens are harder than Pebble Beach. It's really hard to look at the break and the green speed.
