Marilyn Hardy Quick Quotes

Q: Two rounds of golf today. What was working well today?

MARILYN HARDY: It's a marathon. It was an ebb and flow kind of thing. I hit the ball well, I hit a lot of greens, missed a few putts, and just kept grinding. That's all. It's all about grinding.

Q: You were down at the 15th hole and mounted a little bit of a comeback. What was going through your head as you were running out of time to pull off a win?

MARILYN HARDY: Just trying to keep hitting good shots. It's one shot at a time, blah blah blah. Hitting solid shots and maybe luck would turn my way... and it did.

Q: What were your thoughts as you forced extra holes?

MARILYN HARDY: Same thing. You've just got to hit it solid and see where it goes. Not have any fear.

Q: Thoughts on the course this week?

MARILYN HARDY: We have to ignore the outcome and just hit it solid.

Q: What's the strategy going into tomorrow?

MARILYN HARDY: Get a lot of sleep. Eat a big dinner. And plug along tomorrow.
