Ryan O'Rear (3-under 68; 4-under 138)

Q. You wrapped up stroke play 4-under for the championship, describe the week you've had so far.

O'Rear: Yeah, this is awesome. We're having a great time. Troon Country Club is a fantastic golf course, so I'm excited to get to play it again tomorrow.

Q. You finished really strong on the back nine, finished with a birdie on 18. What was working so well for you?

O'Rear: Just started driving it better on the back, hit some better iron shots and putted really well. Saw a few putts go in.

Q. What's your approach to tomorrow with the change from stroke play to match play?

O'Rear: Not a whole lot. Just going to keep trying to play my game, hit fairways and greens, see how it goes from there.
