

SATURDAY, AUGUST 26, 2023 – 6 AM WEATHER FORECAST

A warm day is expected today. Hazy sunshine will provide the heating, up to the lower 90s by late this afternoon. A very light breeze will develop from the west/northwest, gusting only to the 12 - 15 mph mark. As the afternoon wears on, partly cloudy skies will take over. A slight chance of a rain shower exists from 5 to 9 PM, but this would be considerably unlucky with our position in the valley. A quiet night is expected, with increased cloud cover limiting temperatures to the mid 60s. Sunday will see nearly a carbon copy of today's weather, with a minor difference in morning clouds. This will limit temperatures to the upper 80s Sunday afternoon. Enjoy the peaceful weather we have forecasted!
