

SUNDAY, AUGUST 27, 2023 – 7 AM WEATHER FORECAST

Hazy conditions will continue for the final round. Otherwise, you can expect peace. Light, variable winds might eventually whisper out of the northwest, but I am not anticipating gusts over 10 mph. Today's high will be in the upper 80s as the sun shines through the variable layers of haze. Tonight, expect calm conditions in our valley. The mountains will once again promote thunderstorms from the distance, with a tiny chance that they sneak into the valley. I wouldn't bet on it, so enjoy this final round in Portland!
