## Tarapath Panya

**Q. You just came off a two hour rain delay, and then had to pick things back up in the middle of your last hole. What was that like?**

TARAPATH PANYA: I was quite tired after waiting for a long time, I needed to just finish a couple of shots.

**Q. Did you feel like it was more difficult mentally or physically coming back out after the delay?**

TARAPATH PANYA: I think both were equally difficult.

**Q. Did you feel like there was a moment in the match where you took control?**

TARAPATH PANYA: On the back nine I was able to get back to playing my game. On the front nine, I was kind of having to play her game a bit more, so I couldn't control my shots that much. My adrenaline was too much, and I hit an [approach] over the green, but on the back nine I settled down and was able to be in control more.
