

SATURDAY, AUGUST 12, 2023 - 7 AM WEATHER FORECAST

This morning we are looking at nothing but clouds overhead, but that will not last much longer as the sun will come out to save us soon. Once the sun graces us with its presence we will begin to get clearer and clearer overhead. Once we get into the afternoon we should have clear skies through the evening. Our clear skies will help warm us up into the high 70s with winds from the south at 5 - 10 mph with gusts in the teens in the afternoon. Sunday will be very similar to Saturday with the chance of fog / mist early in the morning, and the sun will follow it up in the latter part of the morning. In the afternoon we will have plenty of sunshine for our final match, and highs in the high 70s with winds from the south. Monday could start off foggy as well, but it should not last long again as the sun will come out and burn up any fog left behind. Once the sun is out it will be out in full force with highs in the upper 70s in the afternoon.

Telt berinia. Once the sair is out it will be out in rail force with highs in the apper 70s in the afternoon.
