

FAR HILLS, N.J. (June 12, 2017) - Beginning today, fans can purchase tickets for the 2018 U.S. Open Championship at Shinnecock Hills Golf Club in Southampton, N.Y., marking the official worldwide release of online gallery and premium package sales, at usga.org/tickets.

The 118th U.S. Open Championship, scheduled for June 11-17, is the fifth U.S. Open to be conducted on the storied course. Shinnecock Hills is the only venue to welcome the world's greatest players in three different centuries to what is widely regarded as the ultimate test in golf. It will be the 10th U.S. Open staged on Long Island and the 19th in the state of New York.

"As one of the five founding clubs of the USGA and the host of our second U.S. Open in 1896, Shinnecock has stood the test of time," said USGA Executive Director/CEO Mike Davis. "It holds a special place in our history books, and we're excited to add another chapter to that legacy in 2018."

An array of daily and multi-day package ticket options are available for the 118th U.S. Open, with prices starting at \$60 for daily gallery tickets and \$125 for package options, including:

- **1895 Club:** The 1895 Club is an all-inclusive ticket option featuring breakfast, buffet lunch with hot entrees, afternoon snacks and full bar service throughout the day in a custom-designed, climate-controlled hospitality environment.
- **Trophy Club:** Located near the fourth and sixth holes, the Trophy Club is a climate-controlled pavilion offering open seating, live network coverage of the championship in a sports bar-like setting, and a variety of food and beverage options available for purchase at an additional charge.
- **Gallery:** Gallery tickets provide access to the grounds and to all concession locations, grandstands throughout the course and spectator experience facilities.
- **Weekly packages:** Each ticket type can be purchased as a weeklong ticket package. All weekly packages include a playoff ticket for Monday, June 18 (if needed). Ticket buyers who purchase an 1895 Club weekly package will receive a playoff Trophy Club ticket, as the 1895 Club will not be open if a playoff is necessary.
- **Practice-Round and Championship-Round packages:** Both Trophy Club and Gallery tickets are available in three- and four-day packages.

In 1931, renowned architect William Flynn designed the present-day course, which is known for its dramatic location, exceptional routing and small greens. Johnny Miller, the 1973 U.S. Open champion, proclaimed it "golf's holy grail – a genius course."

Next year's championship promises to generate strong interest within the greater New York City area and purchasing tickets early is highly recommended.
