

LIBERTY CORNER, N.J. (March 1, 2021) – The USGA’s International Team Selection working group today announced the 10 players who will make up the 2021 United States Walker Cup Team. The USA Team will meet Great Britain and Ireland in the 48th Match at Seminole Golf Club, in Juno Beach, Fla., Saturday and Sunday, May 8-9. It will be the first time the competition has been held in the spring on U.S. soil.

The 10-player team, which will be captained by Nathaniel Crosby, of Jupiter, Fla., includes Tyler Strafaci, 22, of Davie, Fla., who earned his place by winning the 2020 U.S. Amateur Championship. Three players earned places as the top three Americans in the World Amateur Golf Ranking® / WAGR® as of Feb. 10. They are: Ricky Castillo, 20, of Yorba Linda, Calif. (fourth in the WAGR); John Pak, 22, of Scotch Plains, N.J. (seventh in the WAGR); and Davis Thompson, 21, of St. Simons Island, Ga. (second in the WAGR).

The remaining players chosen by the working group are: Pierceson Coody, 21, of Plano, Texas; Quade Cummins, 24, of Weatherford, Okla.; Austin Eckroat, 22, of Edmond, Okla.; Stewart Hagestad, 29, of Newport Beach, Calif.; Cole Hammer, 21, of Houston, Texas; and William Mouw, 20, of Chino, Calif. Hagestad, Hammer and Pak are returning players from the 2019 USA Team, which defeated GB&I, 15½-10½, at Royal Liverpool Golf Club, in Hoylake, England.

“This United States Team is a talented group of players who will work together, under Nathaniel Crosby’s leadership, to be competitive against Great Britain and Ireland in this friendly match among some of the world’s leading amateur golfers,” said John Bodenhamer, USGA senior managing director, Championships. “The USA Team shares George Herbert Walker’s vision for an international event that embodies the spirit of camaraderie and promotes interest in the game.”

The Walker Cup Match is a biennial amateur team competition between the USA and a team composed of players from Great Britain and Ireland, selected by The R&A. The Match is played over two days with 18 singles matches and eight foursomes (alternate-shot) matches. The USA leads the overall series that began in 1922, 37-9-1, but it has been extremely competitive over the last three decades, with the USA holding just a 9-7 advantage in the Match since 1989.

“It is once again a great privilege to serve as the USA captain and to work with a group who represent the best of amateur golf,” said Crosby, who in addition to guiding the 2019 victory also played on the winning USA Team in the 1983 Match. “The 10 team members have a notable list of accomplishments on the collegiate, national and international levels. They will represent the United States in the spirit and tradition of the Walker Cup Match.”

The first USA Walker Cup Team posted an 8-4 victory in 1922 at the National Golf Links of America, in Southampton, N.Y., and is considered among the best teams ever assembled, with Francis Ouimet, Bob Jones, Charles “Chick” Evans and Jess Sweetser. Many of the game’s greatest players have

competed in the Walker Cup, including U.S. Open champions Jack Nicklaus, Tiger Woods, Jordan Spieth, Dustin Johnson and Bryson DeChambeau for the USA and Graeme McDowell, Rory McIlroy and Justin Rose for Great Britain and Ireland.

“The selection of the USA Walker Cup Team is a diligent process that highlights the USGA’s role and mission in amateur golf,” said Martha Lang, chairperson, International Team Selection working group and a past Curtis Cup Match competitor and captain. “In a similar way, Seminole Golf Club, Donald Ross’ architectural masterpiece, has been a longstanding friend to amateur golf and will be an impressive venue for this international competition.”

McClure Meissner, 22, of San Antonio, Texas; and Garrett Reband, 21, of York, S.C., are the first and second alternatives, respectively.

Due to health and safety guidelines, attendance at the Match will be limited. Information on the availability of public tickets will be posted in the spring on walkercup.org.
