

LIBERTY CORNER, N.J. (July 31, 2023) – Nick Dunlap, 19, of Huntsville, Ala., and Caleb Surratt, 19, of Indian Trail, N.C., were named to the 2023 USA Walker Cup Team by the USGA's International Team Selection (ITS) working group on Monday.

The duo joins Gordon Sargent, Michael Thorbjornsen and David Ford, who previously earned automatic selections to the 10-player roster as the three highest-ranked American players in the World Amateur Golf Ranking® / WAGR®. The USA Team will compete against Great Britain and Ireland in the 49th Walker Cup Match on Sept. 2-3 at the Old Course in St. Andrews, Scotland.

“Nick and Caleb are excellent additions to further solidify this year’s team,” said Mike McCoy, captain of the USA Team. “These two players have worked tirelessly to put themselves in a position to be selected to this team and I’m thrilled to see their hard work be rewarded. I look forward to having them on our side at the Old Course.”

Nick Dunlap, 19, of Huntsville, Ala., is coming off an impressive summer campaign with back-to-back wins at the Northeast Amateur and the North & South Amateur at Pinehurst No. 2. He also won the Linger Longer Invitational and is currently leading the 2023 Elite Amateur Golf Series standings. The 2021 U.S. Junior Amateur champion and rising sophomore at the University of Alabama earned his second U.S. Open start in June by surviving a 3-for-2 playoff in the Columbus, Ohio qualifier. The second-team All-American has played in seven USGA championships, including three U.S. Amateurs, and advanced to the semifinals of the 2022 U.S. Junior Amateur Championship at Bandon Dunes. Dunlap qualified for the 2019 U.S. Amateur as a 15-year-old and was named the 2021 AJGA Rolex Golfer of the Year. He has also been a national finalist in the NFL Punt, Pass & Kick competition and was mentored by Al Del Greco, a 17-year NFL placekicker.

Caleb Surratt, 19, of Indian Trail, N.C., had a dominant week at the SEC Championship earlier this year, claiming the individual championship by six strokes. The rising sophomore at the University of Tennessee won the Maui Jim Intercollegiate and is coming off a runner-up finish to Dunlap at this year’s Northeast Amateur. He had seven top-10 finishes in the 2022-23 college season for the Volunteers, earning him first-team All-America honors. Last year, Surratt won the Junior Invitational at Sage Valley, became the first back-to-back winner of the Terra Cotta Invitational and won the 2022 Elite Amateur Golf Series. He also finished runner-up in the 2022 U.S. Junior Amateur Championship at Bandon Dunes, losing to Wenyi Ding, 3 and 2, in the 36-hole final. Surratt reached the Round of 16 in the 2021 U.S. Junior Amateur and the Round of 32 in the 2021 U.S. Amateur at Oakmont (Pa.) Country Club. He won the 2021 Western Junior to join a list of champions that includes Jim Furyk, Collin Morikawa and Rickie Fowler.

The winner of the 2023 U.S. Amateur Championship, set to take place Aug. 14-20 at Cherry Hills Country Club in Colorado, and the recipient of the 2023 McCormack Medal, provided they are American, will earn the final automatic spots on the team. The ITS working group will name final selections to the team and alternates immediately following the U.S. Amateur.

The Walker Cup Match is a 10-man amateur team competition between the USA and Great Britain and Ireland. The Match is played over two days with 18 singles matches and eight foursomes (alternate-shot) matches. The Old Course has hosted eight previous Walker Cups, more than any other venue, most recently in 1975, when the USA defeated GB&I, 15½-8½, led by future U.S. Open champions Jerry Pate and Curtis Strange.

Tickets to this year's Walker Cup are now available for purchase by clicking [here](#).

About the USGA

The USGA is a nonprofit organization that celebrates, serves and advances the game of golf. Founded in 1894, we conduct many of golf's premier professional and amateur championships, including the U.S. Open and U.S. Women's Open. With The R&A, we govern the sport via a global set of playing, equipment, handicapping and amateur status rules. The USGA campus in Liberty Corner, New Jersey, is home to the Association's Research and Test Center, where science and innovation are fueling a healthy and sustainable game for the future. The campus is also home to the USGA Golf Museum, where we honor the game by curating the world's most comprehensive archive of golf artifacts. To learn more, visit usga.org.
